

New Teeth in Just One Day!

We know how you feel when all your teeth are failing you.
We see it every day.

INSTITUTE FOR

DENTAL IMPLANTS

What if we told you that you could walk out confident and smiling with a full mouth of perfect teeth in just 1 day? Teeth in a Day is our revolutionary technique that uses less dental implants to replace missing upper and/or lower jaw teeth in 1 day.

Register for Free Seminar 2 November

Questions answered

- Are you a candidate for Dental Implants?
- What is treatment like?
- What can I expect after treatment?
- How much do Dental Implants cost?

- Teeth in a day, is it possible for me?
- What are the success rates of Dental Implants? See real people like you who had it done.

You will benefit from this seminar if you have...

- Full dentures.
- Failing teeth and your only other option is full dentures.
